

Hello ____,

I am writing you personally today for one specific purpose -- I want to invite you to **prayer walk** with me for Kingdom breakthrough during this Kairos moment in our nation's history.

While I am concerned about our current state of affairs, I feel an even greater hope. I sense destiny on our horizon. This moment is so critical it must be handled with prayer! Prayer is our first and best option... always!

Will you pray with me?

The Specifics:

- 40 days - June 15th to July 25th
- A few moments each day **prayer walking**

For my guide, I am using Prayamericas.com -- a wonderful tool provided by SEAPC (South East Asia Prayer Center).

Yes, I have downloaded their helpful app on my phone [amazing for me -- ha ha]!

I plan to **prayer walk** during this 40 day period in my neighborhood, in the public parks, at our centers of government, communication, education, commerce, and spiritual activity.

Sometimes I will walk alone, but other times I will walk with friends who share my passion for seeing Jesus elevated in our city, state, nation, and world.

At the end, I will share some of the specifics I plan to pray for.

But for now, back to our one question...

Will you join me in prayer?

Please let me know ASAP so we can start together on Monday, June 15th! You can sign up here and get the prayer guide: <https://www.prayamericas.com/community/>. Please feel free to invite others to join us.

Thank you!
